Zer0 Audit Plan

We have arranged a few different objectives for this audit. We would like the audit to first focus on ZNS, then move to zAuction, and finally the zDAO token.

zNS - Zer0 Naming Service

This is the first thing we would like to have audited and focused on.

zAuction

This is the second thing we would like to have audited.

zDAO Token

This is the third thing we would like to have audited.

This will be updated by 4/23 with a link to the prep work.
